# NADOs and RADOs

- **Anti-doping is the core business of NADOs and RADOs**
- **According to the 2012 WADA Testing Statistics, NADOs and RADOs collected approximately 75% of all anti-doping samples world-wide**
- **NADOs and RADOs provide services to literally millions of athletes and athlete support personnel each year**
- **NADOs and RADOs manage the majority of TUEs and the majority of results management**
- **In 2013, one NADO (RUSADA) handled over 200 results management files**

# More Partnership Required

**The 2015 World Anti-Doping Code requires more partnership between IFs and NADOs / RADOs:**

- TUEs (Article 4.4)
- Event Testing (Article 5.3)
- Test Distribution Planning (Article 5.4)
- Whereabouts Information (Article 5.6)
- Investigations and Intelligence (Articles 5.8, 20.3.6, 20.5.9)
- Results Management (Articles 7.1, 7.8)
- Notices of Decision (Articles 8.4, 14.1.2)
- Appeals (Article 13)
- Status Reports (Article 14.1.4)
- Application and Recognition of Decisions (Article 15)

# Service Through Partnership

## **NADOs/RADOs can provide IFs:**

- Sample collection services
- On-site information and Outreach programmes
- On-site TUE management
- Intelligence (for TDP and to support investigations)
- Training opportunities for IF staff
- Troubleshooting

# Service Through Partnership

## Examples:

- ICF and CCES
- ICC and Caribbean RADO (2007 World Cup)
- IFF and FINADA (2010 World Championships)
- CGF and UKAD (Glasgow 2014)
- PASO and CCES (Toronto 2015)
- UCI and numerous NADOs
- IAAF and BADC (2014 World Sprint Championships)
- KADA and Pyeongchang 2018
